

Do you have **Asthma?**

If you have asthma and are aged 17 years or over and a non-smoker **we need your help!**

We are measuring the lung function of people with asthma

- Eligible participants will attend our lab 2 times, with visits 2 months apart
- Each visit will last approximately 2 hours
- Inhaler medications are supplied during the study
- Reimbursement can be provided for travel within the Sydney metropolitan region

For more information, please contact Dr Claude Farah on **telephone**

02 9114 0149
